

To whomever it may concern

Architect Joanna Zywluk has made for our company ODiTK- Consulting and Executive Training Center interior design of office space in Gdansk , 11 Heweliusza street. The main target in her project like aesthetics and the high standard have been achieved. Cooperation with our company was fully successful and the Project was made in time. Based on our cooperation we would like to recommend Mrs. Joanna Zywluk as a reliable architect working in a the time schedule.
